

BPC Interiors is one of the country's leading suspended ceilings and partitions contractors, working on new builds, refurbishments and fit outs for major construction companies across the UK.

The business is committed to protecting the environment, preventing pollution and continually improving its environmental performance across all of its activities. BPC Interiors operates an Environmental Management System certified to ISO 14001.

As part of the business's Integrated Management System, environmental management is considered key business priority and is embedded within operational and project activities. BPC Interiors recognises its responsibility to minimise environmental impacts associated with construction activities and to operate in a sustainable and responsible manner.

BPC Interiors are committed to:

- Operating and continually improving an Environmental Management System in accordance with ISO 14001
- Complying with all applicable environmental legislation, regulations and other requirements including Streamlined Energy & Carbon Reporting (SECR)
- Monitoring and reducing energy consumption and greenhouse gas emissions in line with the organisation's validated Science Based Target initiative (SBTi) commitments
- Working towards the implementation of an Energy Management System aligned with ISO 50001 to improve energy efficiency and environmental performance
- Preventing pollution and minimising environmental impacts associated with waste generation, material use, dust, noise and construction activities
- Working with suppliers, subcontractors and clients to support responsible environmental practices and sustainable procurement
- Providing employees and subcontractors with the information, training and resources to meet environmental responsibilities
- Establishing and reviewing environmental objectives and targets to support continual improvement
- Monitoring environmental performance and integrating environmental considerations into business and project decision making

This policy applies to all employees, subcontractors and activities undertaken by the organisation and is implemented through the Environmental Management Plan and Integrated Management System.

The policy is communicated to all employees and relevant stakeholders and is reviewed periodically by BPC Interiors leadership team to ensure it remains appropriate to the organisations activities, legal obligations and environmental objectives.

This policy will be reviewed annually or sooner if changes occur that affect the implementation of this policy.

Signed: 

Tom Knight,
Managing Director
